

CONSENT TO INSTALLATION AGREEMENT

01/24

FOR NON-PROPERTY-OWNING SUBSCRIBERS - You must obtain the Property Owner, Manager, or Landlord's written permission for installation prior to the arrival of the Sprout Fiber Internet installer to connect fiber optic cable to the property. Proper installation requires drilling through interior and/or exterior walls and installing both outside and inside equipment. Without written permission, the installation cannot proceed, and the appointment will have to be rescheduled or canceled.
